

To be a dynamic and inclusive learning centre that transforms students from rural background into intellectually curious, ethically conscious and skilled professionals, fostering lifelong learning and holistic growth in line with the principles of NEP-2020, making them socially responsible by contributing meaningfully to the progress of the state and the nation.

To translate the vision into reality the institution is committed to-

- To provide a flexible, multidisciplinary curriculum aligned with NEP 2020 to produce skilled, and compassionate students, particularly from rural and underprivileged backgrounds.
- To foster a dynamic learning environment that promotes academic excellence, critical thinking, creativity and problem-solving, moving beyond rote memorization.
- To empower students with the knowledge, skills and values needed to become responsible citizens and successful professionals.
- To ensure equal access to quality higher education for all, especially for students from socio-economically disadvantaged and rural backgrounds.
- To integrate technology into teaching and learning to enhance digital literacy and make education more accessible and engaging.
- To instil strong ethical values, social responsibility and a sense of pride in Indian heritage.
- To cultivate a research-oriented culture by encouraging students and faculty to engage in research and innovation, particularly on issues relevant to the local community.

Short Term Goals	Long Term Goals
<p>Enhance Academic Programs</p> <ul style="list-style-type: none"> Continuously update and expand academic offerings <i>e.g. workshops/seminars, etc.</i> to meet the evolving needs of the job market and society. Forge partnerships/MoUs with local industries and government bodies to provide students with internship and apprenticeship opportunities. Implement a faculty development program focused on NEP 2020 practices, including the integration of digital tools. 	<p>Improve Infrastructure</p> <ul style="list-style-type: none"> Upgrade the college from UG level to PG one with the inclusion of skill-development as well as job-oriented courses, and maintain facilities, such as classrooms, laboratories and library to support modern teaching and learning methodologies. Upgrade the college infrastructure to support a digital learning environment, including smart classrooms, a high-speed Wi-Fi campus and a well-equipped computer lab. Create and maintain a digital repository of learning materials for students and faculty.
<p>Strengthen Community Engagement</p> <ul style="list-style-type: none"> Establish strong partnerships with local industries, organizations and the community to provide students with practical exposure and service-learning opportunities. 	<p>Promote Research and Innovation</p> <ul style="list-style-type: none"> Encourage and support research, projects and innovative activities.
<p>Foster Holistic Development</p> <ul style="list-style-type: none"> Create a vibrant campus with extracurricular activities, sports and cultural events to nurture students' physical, mental and creative abilities. 	<p>Ensure Inclusivity and Equity</p> <ul style="list-style-type: none"> Provide a supportive and inclusive environment that promotes equal opportunities for all students, with special attention to marginalized groups. Increase the Gross Enrolment Ratio (GER), especially from the marginalized communities, by actively promoting the college in surrounding rural areas. Establish a dedicated student counselling and career guidance cell to provide personalized academic and career support.
